

Qatar purpose of payment codes

Domestic transactions – Qatari Riyal

This document provides the explanatory notes on the Purpose of Payment (PoP) codes, as provided by the Central Bank of Qatar.

With effect from 09th June 2019, PoP codes have become mandatory for all Domestic payments initiated from HSBC Qatar accounts. Customers need to submit POP codes with immediate effect.

Please note that failure to supply a valid PoP code in the appropriate field will result in the automatic rejection of your payments. For more information on PoP requirements in Qatar, please contact your HSBC representative.
